TCCA Maintenance Organisation Approval No. 813-23 Continuation

Dear Ladies and Gentlemen,

please be informed that we have initiated the continuation process of your TCCA Maintenance Organisation Approval (Approval-Number: 813-23).

According to the Maintenance Annex Guidance between the European Aviation Safety Agency (EASA) and the Transport Canada Civil Aviation (TCCA) (Rev 1, 29.03.2014) we informed TCCA on July 29, 2015, that your organization (Motorflug Baden-Baden GmbH) still meets the conditions of approval. Mr. Stürtzer has received the eMail in copy.

TCCA will now invoice your organization. Please note, that when you fail to pay the applicable fee TCCA will ask the Luftfahrt-Bundesamt to revoke the supplement approval letter.

TCCA will only inform the Luftfahrt-Bundesamt, if it has reason to recommend not to continue the approval. No information will be provided, if TCCA grants a continuation of the approval.

Please inform yourself about the new expiration date under the following link:
